

SCHOOL KIDS' NIGHT FRIDAY

Sold Weed Seed At \$12 Per Bushel

REMANDED ONE WEEK FOR SENTENCE ON FRAUD CHARGE

Isaac Williamson of Toronto pleaded not guilty to a charge of fraud at Newmarket Police Court on Tuesday, and was remanded until next week for sentence by Magistrate J. C. M. German, who presided in the absence of Magistrate W. F. Woodliffe. Cash bail was set at \$100.

"This man came to the farm and asked me if I had any cows to sell, and I told him we had one advertised in the Woodbridge paper, but I didn't care now if I sold her or not," stated Walter McLean of Schomberg. "He asked me if I wanted to buy some alfalfa seed, and I told him I would if it wasn't too dear. He said he had two bushels in the car that was two-thirds alfalfa and one-third red clover that he had got on a deal, and was selling it cheap for only \$12 a bushel. I told him that I had better wait until dad came back, but he persuaded me to buy it, so I paid \$24 for it. After he went away I got suspicious and took a small sample of the seed to get it tested. As a result of the test I reported it to the Constable in Schomberg. Then Constable Watt came and took some samples. I saw the accused last Friday morning, and he said, 'You got me in a jam,' and wanted to buy the seed back again."

Constable Ronald Watt testified that he had taken a sample of the seed to the Dominion Department of Agriculture in Toronto, and that a test proved it to be 61.1% weed seeds.

Constable Martindale stated that accused had given him a statement. He told that he worked for Coulter Bros., horse dealers of Toronto. A man by the name of Harry Armstrong of Dundas, a horse dealer, had bought some seed for \$5 a bushel, and sold it to accused for \$7 a bushel. Armstrong told him to sell it in the country for whatever he could get, and they would split the profits.

Dear Sirs:

The Xmas parcel arrived today in perfect condition, and I wish to convey my thanks and appreciation to all the members, and to all those who contributed to make up such a swell parcel. ALD. BOWSER TOOK THE SALUTE

Last week when Mayor Dales, Ald. Bowser, Clerk Mathews and Harry Lambert were in Ottawa on town business, the group were standing in front of the Chateau Laurier when one of the Ottawa fire trucks with five men on it, drove past. The firemen saluted as they passed, and on looking to see who the notable was being thus honored, they found it was Ald. Frank, secretary of the Newmarket brigade.

TO ATTEND TORONTO CONVENTION

J. E. Gowland will be attending the semi-annual convention of chiropractors and drugless therapists of Ontario at the Royal York Hotel, Toronto, on Saturday and Sunday. Dr. B. J. Palmer of Davenport, Iowa, son of the founder of chiropractic, will be one of the speakers.

LARGE CROWD ATTEND Y. P. U. SKATING PARTY

Toronto Centre North Presbytery Y.P.U. annual skating party was held on Thursday evening, Feb. 26, in Newmarket arena, with over 200 Y.P.U. members present from the Unions of Keswick, Ravenshoe, Queensville, Sharon, Newmarket, Aurora, Wesley, Kettleby, Temperanceville, King and Laskay.

Spotlight skates, novelty skates, Paul Jones and mystery numbers were enjoyed immensely by the large crowd under the leadership of the recreation conveners, Marvin Hunter, Laskay; Ross Follitt, King, and Garnet Castor, Sharon.

After skating the party went to Newmarket United church where Newmarket Y.P.U. served a lovely lunch. Ken Johns led a lively sing-song after lunch.

During the past two weeks, George Davis and Willard Madden, former members of King and Queensville Y.P.U., have been killed in service with the R.C.A.F. Rev. Lapp spoke during the short memorial service for the boys. George Davis, son of the Rev. and Mrs. Douglas Davis of Stouffville, formerly of King, active in King Y.P.U. and a member of King Y.P.U. ball team, who was in England, and Willard Madden, son of Rev. and Mrs. Madden of Minesing, formerly of Queensville, active in Y.P.U. work, member of the Queensville ball team, and former member of Queensville male quartette and choir. Both boys had made fine Christian contribution to the life of the Presbytery activities. Although their presence will never be with us again, their memory will live on even brighter than before, in the great sacrifice they made for king and country, giving up the pleasure of home, of loved ones, of pleasure and ambition.

Silent prayer, followed by prayer of Rev. Lapp for the boys, and to the two homes, was observed, after which the hymn "Abide With Me" was sung.

On Friday evening, March 20, a St. Patrick's Play Party will be held in Aurora United church, with Miss Nellie Lewis of Toronto in charge, after which a pot-luck supper will be enjoyed.

HORTICULTURAL SOCIETY REPORT ON YEAR'S WORK

A by-law for the operating of taxis in the town of Newmarket, drawn up in 1929 but never enforced, was ordered to be dug out of the mothballs and put into operation by Mayor Dales at council session Monday night.

"With a taxi able to get an unlimited amount of gas, I think that the patriotic thing to do is to see that everybody isn't operating his car as a taxi," declared the Mayor. "We have a by-law, let us enforce it."

There is a carefully prepared by-law drawn up by the late town clerk which was passed in 1929," stated Clerk Mathews. "The fee is \$25 for one car, or \$50 for more than one car."

"To how many do you think we should give a license?" inquired the Mayor of Chief Sloss.

"I would think two would be enough," replied the chief. "We'll let them apply to you first, and you can make your recommendations to council," replied Dales.

A request from the military camp asking that cars not be allowed to park on both sides of Wesley street in Connaught Gardens, brought considerable discussion.

"These are cars belonging to the soldiers; why can't the camp control it?" asked Ald. Evans.

"It is a wholly fright up there," declared Ald. Higginson. "They have me hemmed in most of the time. One fellow had to pay to have a car hauled from in front of his laneway, so that he could get a load of coal in. There was to have been a deputation of citizens up here tonight about the thing. What chance would we have in case of fire? There is plenty of parking without making a nuisance of it."

"We will have to look after our streets," said the Mayor, and asked Chief Sloss to bring in a diagram of the section and recommendations to the next meeting.

Sanford King and Norman Williams, president and secretary of the Horticultural Society, appeared before council relative to the annual grant. Mr. King thanked the council for last year's grant and expressed the opinion that the town got the \$100 back with interest. "Every flower, shrub or tree we plant is a national asset," he declared. "They are added attractions and help bring in tourist revenue to this country." He advocated the planting of a nursery this spring on the vacant lot next to the bowling green.

"We paid \$1.50 a tree last year," he stated. "You can get the young stock for practically nothing. In a few years we would have hundreds of dollars worth of trees to plant out."

Mr. Williams expressed his thanks to Ald. Bowser and town foreman Datus Crowder, for their assistance. In a review of the society's work during the year, he told council that five hundred shrubs and six army truck-loads of perennials and bulbs had been planted at the army camp. The president donated \$60 of evergreens to help beautify these grounds. Seeding and shrubbery had been done at the new flagpole, four boxes had been placed in the town clerk's windows, shrubs had been set out at the

HOCKEY FINALS WILL BE REAL THRILLER

To-morrow evening is the big night for the public and separate school kids when the annual T. B. Kirk memorial night will be held at the local arena.

Proceedings will get under way at 7 o'clock with the finals for the school hockey league. The winners will be taken at a later date to see a pro hockey match at the Maple Leaf Gardens.

This year's hockey league was the most keenly contested on record. Ken Groves' team placed first. Bev Rowntree's club and How Caradonna's club tied for second place.

On Friday, February 27, the game ended in a tie after ten minutes overtime. A second game was ordered for Monday, March 2. Again at the end of regulation time the kids were all tied up, but in the overtime, led by Teddy Greenwood, Rowntree's team won out by a 4-2 score.

During scheduled games the following teams won standing as follows: First—K. Groves (capt.), G. Pearson, G. Irwin, G. Hill, H. Wrightman, K. Thoms, I. Gibson, R. Firth, S. Waterhouse, P. White.

A PARKS COMMISSION

A suggestion of real merit was offered to council Monday evening by Norman Williams, secretary of the local Horticultural Society, when he advanced the idea of a parks commission for town composed of representatives of the Council, Veterans, Lions and the Horticultural Society.

Among the work carried on by the latter group last year was the planting of seventy shade trees on several local streets. The years to come will show the wisdom of this project. With a parks commission a program of wide scope could be carried out; unsightly places such as the town dump could be beautified, while half finished projects could be made of real beauty. Fairy Lake is one example of this, the grounds surrounding the flag-pole and waterworks each year becoming ever more attractive.

As you approach the neighboring village of Stouffville during the summer months, you are impressed by the beautiful beds of petunias along both sides of the highway. Not a big item of expense or planning, but a real homelike touch of welcome.

Yes, a parks commission could do much for town, and we hope Mr. Williams perseveres until he gets results.

FARM IMPLEMENT QUOTAS ARE HERE

In recent weeks we have witnessed used farm implements on the farms about the district selling at auction sales for prices that the owner paid for them 25 and 20 years ago comments the Stouffville Tribune. One reason for this may be the knowledge that parts for worn implements are going to be hard to get, and serious hold-ups may be caused where a part breaks and cannot be replaced for weeks. Limitation of production is promised by the farm implement class which is being placed on a quota. Farmers who are wise will check over their machinery and see that implements are in running order.

Dealers in implements are required to place their order for stock, and it must be a lean order too. They will not be permitted to "stock up."

According to The Financial Post all retail sales must be on a down payment of at least 40 per cent of the selling price, and the balance should not be spread over more than 24 months. To Ontario farmers who go out and pay spot cash for implements at auction sales where a turnover of three or four hours will total \$2,000 and \$3,000, this would appear to make little difference.

Production of all types of farm implements for the period of Nov. 1, 1941, to Oct. 31, 1942 says The Post, has been put on a quota basis expressed as a percentage of production in 1940. Quotas run all the way from 50 p.c. for potato planters to 200 p.c. for cream separators and milking machines. Attachments and repairs are on a 140 p.c. quota basis.

NOTE AND COMMENT

Just a day or two left to buy that Victory Bond. Whether it be a \$50 or a \$500 one, you will want to be included with your fellow Canadians on this end of the job.

This is the story of the week, as told by Mayor Dales—A fond mother took her child to school for the first time. Approaching the teacher, she said: "Johnny is a very nervous

child. If you have to chastise him just slap the pupil next to him—that will scare him."

Among the most conspicuous wrong guessers in history can be put the public estimation of Corrigan and Lindbergh, says Thomas Richard Henry in the Evening Telegram. It thought Lindbergh was a hero and Corrigan was crazy. Corrigan has just joined up to ferry bombers.

Some leading newspapers frown on the use of "ex" to describe a man, but "ex" is the only way that Lindbergh and Petain can be described. They are both "ex-heroes."

If your store refuses to deliver a package of cigarettes or a bottle of ginger ale, don't get mad at the proprietor. It's all part of his war job of eliminating all unnecessary costs and he has the full backing of the Wartime Prices and Trade Board, according to Edgar G. Burton, retail administrator.

"Retailers are being encouraged to cut down their overhead in every possible way in order that they will be able to conveniently carry on under the price ceiling," he declared, adding that "business is co-operating almost 100 per cent. in this programme."

C. J. Brown, official tea taster in the Department of National Revenue, who passes approval on the hundreds of tons of tea bought annually for the fighting services, gave this advice to-day: "Don't put sugar in your tea if you want to enjoy its real flavor."

Thousands of people who stopped sweetening their tea during the first Great War never started again, said Mr. Brown, adding that if sugar must be used, "one lump or a small teaspoonful, is all that a cup of tea can absorb."

Besides making the tea taste better, 32,000 tons of sugar would be saved for other purposes if two out of three persons who used sugar stopped doing so, he added.

One employed person out of every twelve works for a governmental agency in the United States.

This estimate was made by the Census Bureau on the basis of a study of Federal, State and local governmental pay rolls as they were at the beginning of the year. The survey did not include men in the armed forces.

The Bureau said that, excluding the armed forces and relief recipients, Federal, State and local pay rolls included about 4,800,000 persons. Of these about 1,500,000 work for the Federal Government, 1,300,000 for public educational institutions, about 500,000 for State governments, 940,000 for municipalities, and about 500,000 for counties and other governmental units.

Also on public pay rolls were 2,000,000 in the armed forces and more than 1,000,000 persons on relief. What would our Canadian figures be?

"Blondie in Society" and "The Medico of Painted Springs"

Penny Singleton, Arthur Lake and Larry Simms . . . The Bumstead family of cartoon strip, radio and motion picture fame . . . return to the screen of the Strand Theatre on Friday in their latest happy adventure, Columbia's "Blondie in Society."

The Bumsteads go high hat, to hit a new high for hilarity in the funniest of all the Blondies. They join the Four Hundred to give you a thousand laughs. Dagwood, as usual, gets himself into many difficulties which only Blondie can overcome. On the same programme Charles Starrett in "The Medico of Painted Springs."

"Dr. Jekyll and Mr. Hyde" and "Henry Aldrich for President"

Once again Spencer Tracey proves his right to his place as a two-time Academy Award winner with his portrayal of that favorite of fiction, "Dr. Jekyll and Mr. Hyde." Sharing honors with the star in the new picture opening Monday are Ingrid Bergman and Lana Turner.

It is Tracey's performance which dominates the film. Admirable in his restraint, Tracey resorts to no gargantuan make-up to denote his transformation from the good Dr. Jekyll into the evil Mr. Hyde. With a minimum of facial horror, the star achieves his personality change through change of expression.

The Robert Louis Stevenson novel tells the story of young Dr. Jekyll, scientist interested in man's dual personality. He believes that in all men are good and evil. In some evil predominates over the good, in others the reverse is true. Over the objections of friends, colleagues and sweetheart, Jekyll continues his experiments in this field. He drinks the resulting potion. It is then his evil self asserts itself and he becomes Mr. Hyde.

On the same programme is "Henry Aldrich for President." In this rollicking comedy Henry is inveigled into running for president of the student body at Centerville High School. His opponent stuffs the election boxes, plants fake ballots in Henry's locker and starts a chain of hilarious events that end when Henry is vindicated.

"Paris Calling" and "Honolulu Lu"

Randolph Scott is co-starred with Miss Bergner in "Paris Calling," starting Wednesday. The picture, described as a big-scale modern melodrama, also features Basil Rathbone, Gale Sondergaard, Edward Ginnell, Lee J. C.

In this, her first Hollywood production, Elizabeth Bergner reaches lofty cinematic heights. The star of such international film hits as "Escape Me Never" and "Catherine the Great" portrays a role specifically tailored to her talents.

As the fiancée of Basil Rathbone in the opening scenes, she is the wealthy hostess who entertains the aristocrats of France, in her home, on the eve of the invasion. When she learns her country has been betrayed, Miss Bergner becomes part of the underground front.

She is assigned to play the piano in a third-rate cabaret in a seacoast village. In this role her dramatic ability is given full exposition.

Said to be the gayest go-go-gags-and-girls laughfest ever brought to the screen, "Honolulu Lu," starring Lupe Velez, opens on the same programme, with Leo Carrillo, Bruce Bennett, Roger Clark and Marjorie Gateson.

Wonder what happened to the young Negro draftee in the U.S. Army who, on sentry duty at night for the first time, halted his commanding officer, using instead of the traditional "Halt—who goes there?" "Halt—look who's here."

Here, according to Lord Mottistone, who told the story as a true one at a London War Weapons Week meeting, is what the skipper told him:

"I call out, 'George!' and George says, 'Ay ay, sir.' Then I say, 'Acroplane reported, George,' and George says, 'Ay ay, sir.' Then I say, 'Shoot the blighter.' He says, 'Ay, ay, sir.' And then George shoots him."

Mr. E. G. Hunter has accepted a position in Eaton's, Toronto, and will move next week.

Mr. and Mrs. B. W. Hunter left hurriedly for Winnipeg last week on receipt of a telegram that Mrs. Hunter's mother, Mrs. Taylor, was very ill.

Mr. Hillard Fockler of Stouffville, brother of Rev. C. E. Fockler of the Christian Church, moved into town last Wednesday with his family.

On Monday Mr. J. D. McKay and Miss Ethel Holladay took up their new duties at the Registry Office.

The hockey match on Tuesday evening between the Davis Leather Co. and the Office Specialty Co. resulted in the defeat of the latter by 8 to 3.

On Saturday evening, Mayor Cane, Rev. H. F. Thomas and Mr. B. Ross, Clerk of the Presbyterian Session, waited upon Mrs. Kirtan and presented her with the Humane Society's Certificate. About Christmas, Mrs. Kirtan, hearing cries of distress, found that Chas. Thoms, aged six years, had broken through the ice and was in danger of drowning. Lying down, Mrs. Kirtan managed to catch the boy's hand and supported him until help came.

25 Years Ago

From The Express-Herald of March 2, 1917.

A meeting was held in the Fire Hall on Friday night to re-organize a Board of Trade, with twenty-two citizens present. The matter of electing officers was considered, and after some discussion it was decided to appoint a nominating committee which would have power to solicit membership in the Board of Trade. This committee consists of the following: J. F. Harvey, chairman, H. S. Cane, A. J. Davis, Dr. Clark and W. L. Bosworth.

Among the Newmarket citizens who attended the "Win the War" luncheon in the Cafe Royal, Toronto, on Tuesday, were: Hon. E. J. Davis, Mr. P. W. Pearson, Mr. Wm. Keith, Mr. W. A. Brunton and Mr. J. F. Harvey.

Among the Newmarket ladies who attended the concert given by the Aurora Choral Society in Aurora on Friday night were: Mrs. C. G. Ross, Mrs. F. M. Smyth, Mrs. Howard Cane, Mrs. J. A. M. Armstrong, Mrs. C. H. R. Clark and Mrs. W. L. Bosworth.

Mr. Charles Woodward of Vancouver, who is on a business trip east, remained over the week-end at the home of his brother-in-law, Mr. P. J. Anderson.

Mrs. Bristol, who has been visiting for the past few weeks with her brother, Mr. T. J. Robertson, has returned to Oakville.

Mrs. M. V. Rice of town, having been obliged through illness to tender her resignation as organist of St. Andrew's Church, was made the recipient, by the members of the choir, of a handsome gold pin as a mark of their esteem. A letter expressing regret at the severance of her connection with the choir, accompanied the gift.

The High School carnival held in the Newmarket Skating Rink, was a grand success. Miss Taylor, dressed as Audrey in "As How You Like It," won the ladies' prize. Miss Marion Stewart won first prize for the best patriotic costume; Miss Lella Belfry won first prize for the best comic costume; the Misses Helen and Florence Richardson, who were very attractively dressed, carried off the first prize for the best dressed couple, and Mr. Edgar Pope was the winner of the gentleman's prize.

CAN THIS BE SPRING?

Today, as I write, it is the second day of March, and a wonderfully mild day compared to what we have been having lately. But how can we know if it will last? Well, we just can't know, for our weather can do a "right-about-face" as quickly as anything you ever saw; so long before Thursday, when this goes into print, we may have had half a dozen different kinds of weather! However, let's enjoy it while it is mild—even if it is pretty juicy underfoot! Those rubber boots the young folks are wearing are the grand footwear for such days, and so sensible. Even our soldier girls have neat, tan-colored ones to match their kid gloves they wear with their khaki uniforms, and they do look so trim and neat in them.

If the old saying about March coming in like a lion and going out like a lamb holds good these toasty-turvy days, then look out for the last week of March, for certainly yesterday and today have been lovely days—mild and sunny, and no harsh winds like we have been experiencing so much of February. What was that old idiom we used to hate to the depth of our very soul in Latin prose? Something about the "Nones" and the "Ides of March." It was the weather, wasn't it—or was it? "Beware the Ides of March."—Now, what on earth was it all? Oh, yes, I begin to recall—wasn't that the day Julius Caesar was murdered and he said, "Et tu, Brute," when he looked and saw the man whom he considered his friend there, and said, "And thou also, Brutus." You see, I recall a bit of what we had to learn at high school, but I guess I never did seem to get the Nones and Ides through my head. "Beware the Ides of March!" I guess it doesn't matter an awful lot that I was so dumb! Maybe I knew it then, but I must honestly confess I don't now. Guess I'd better change the subject, and not display my ignorance!

And, of course, this spring-like weather makes me wonder how soon we shall have the robins back—they are always a sure sign of spring with us, and anyone who first sees a robin in the spring usually likes to broadcast the fact. I know I do! But we do not need to wait for the Robin Redbreast to make us feel that spring is not far away—not if we have had a flock of Evening Grosbeaks to visit us. If you have seen them around Newmarket you'll know what I mean, for they are beautiful birds and look more like the Sunny South than does our Robin, for they are gold and white—I expect you know them—about the size of a robin, only their tail is shorter, they have large white patches on their dark-colored wings and a yellowish bill, a strong looking bill. My neighbors and I have had them several times—I say "them" because they usually come in flocks, but the other day, Feb. 14, to be exact, I went to call for a friend to go to a Valentine birthday party, and as I waited for her to put on her outdoor clothing, I saw a beauty, all alone, sitting in a tree near her living-room window. It took me some time to get her into a position where she could see it without frightening it away, but when she did she entirely forgot the party and everything else in her delight at seeing that beautiful bird in her tree. There is the rose-breasted Grosbeak, too, that some folks get mixed up in, between the Cardinal and the Robin, or if you say you saw a Grosbeak you'd better specify which one. If you have been fortunate enough to have the Evening Grosbeak visit you, why I know you'll never forget it any more than we do the rare visits of the Cardinal bird and his mate.

Why bless my heart! What did I say about the weather when I began this? I was called away, and here I am back not much more than an hour after, and our nice day has vanished and the clouds are gathering and hanging quite low—and I'm mad, because tonight there is to be an eclipse of the moon, and of course it would have to go and get cloudy so we can't see it—and this time it was to be early after tea instead of "three o'clock in the morning" (as the old song says), when we'd have to set the alarm clock to get up and have a look, or miss it altogether. Well, anyway, if it can change this quick (the weather I mean) it may change again by that time, and we may still have a clear view. You'll know before you read this at any rate, while now I can only hope!

We are all telling ourselves and each other that we will have to wait till we finish the war before we can take any more motor trips with our picnic baskets—and we'll just have to look back and recall other "joy-rides" (I do not use that expression in its usual sense, where folks mean exceeding the speed limit, but in its true sense of a pleasure trip) and you'd never guess what made me take a delightful trip again in memory—it was seeing this little item in Saturday's Star under Greater Toronto and nearby centres from Orangeville, Feb. 28. Here's the article, we may as well reprint it: Foot-Gear Memorial to Builder Of Old Hockey Valley Bridge.

Orangeville, Feb. 28.—Unique among Ontario bridges is the legend attached to Fillon's bridge. Near here, over which many motorists have travelled on the scenic route through the Hockley valley.

Dick Fillon an expert stone mason, was in charge of the erection of the bridge 34 years ago, ex-Reverend W. D. Donaldson of Mono recalled. He said it was Fillon's custom, after he had lunch, to move his knee-length boots and snatch a short nap. Because Fillon was a heavy sleeper, it was very easy for men to remove his boots. They put them on the unfinished wall and then built the wall around them, he said. Since that, the bridge was

familiarly known as "Fillon's Boots" to residents in the district, said Mr. Donaldson. More curious tourists may still see the feet of the boots imbedded in the stone wall beneath the bridge.

"Knowing the story behind the incident, I still can picture the irate mason in stocking feet calling down the culprits who played the joke on him," Mr. Donaldson chuckled.

Naturally that small item greatly amused us, for we have been to Hockley Valley many times, and there is one place a person with not too much gasoline could go, and I assure you if you have never been there, you'll certainly enjoy it.

Postmaster Cane said to me one day, ages ago now it seems: "Golden Glow, have you ever been through the Hockley Valley?"

I hadn't, but on his recommendation, and from the delightful things he told me about the Hockley Valley, I decided it was where we'd go next trip, and we did, and if you want to see a scenic road, take that trip through the Hockley Valley. I assure you you'll be delighted too. Follow your road map to Loretto, north-west of Bradford and Bond Head and Beeton, you could go one way and come back the other. You could go straight out through Glenville, to Schomberg and Mono Mills, and come back by Hockley Valley from Orangeville, and you'd find it a very interesting ride, and if you want to verify the story about the bridge known as "Fillon's Boots," and see for yourself if they are embedded in the stone wall under the bridge, there's your chance.

I had a letter from Vancouver today, and spring has arrived already in B.C. She said her garden was a picture with primroses and crocuses and violets and daffodils. It was a grand letter, but the last page certainly brought the truth home to me, that the Japanese menace on the West coast is very, very real indeed, if we did not already know. The Japanese plan to invade United States by way of Alaska, and through British Columbia, has become known, and the authorities are making preparations accordingly. The citizens are to be prepared for the worst in case of invasion. Nothing like being prepared, and there is talk of evacuating women and children to the Okanagan, or even farther east in case of attack. It really looks as if we here in Canada may soon be called on to face what over half the world is facing right now.

A neighbor had a letter from their son overseas who wrote asking that they tell him it is so that women and children have been evacuated from Toronto. And another soldier overseas wrote thanking his people for all the wonderful boxes they had sent; he had heard we were on rations over here, so he was not expecting any more! We do certainly wonder what is before us, and trust we shall measure up to our English cousins if we are attacked.

NEWMARKET RED CROSS SOCIETY

Much enthusiasm was evinced by the splendid turn out at Trinity United Church on Friday afternoon to view the work of the Red Cross Society.

There was everything to gladden the life. Remarks heard on all sides, that they had no idea so much beautiful and practical work was being done. The handsome quilts, which numbered around 30, came in for many fine comments, a letter to the society just received regarding the quilts being sent to England, was written in glowing terms as to how very much they were appreciated over there.

Then there were dresses for women and children, pyjamas, nightgowns, dressing gowns, and a table of lovely baby garments. All kinds of surgical dressings, bandages, etc., showing many hours of work. Everything was so beautifully made.

The knitters' had a splendid display of afghans, one made by a lady of 87. Navy sweaters, seamen's stockings, socks, aero caps, etc., etc. It was all very gratifying and made one feel that there are many clever and willing fingers around Newmarket and country.

A beautiful rug and quilt were kindly donated by Mrs. Jim Gibney and Mrs. Ed. Kay. The former was won by Mrs. Bert Armstrong, and the latter by Mrs. Herbert Graham. The Red Cross are richer by the splendid sum of \$43 for tickets sold on the rug and quilt. The tea netted the sum of \$37.55. The Society would like to express their gratitude to the board of the church for their kindness in loaning the rooms for this purpose. Special thanks are also due Mr. Morton for his kind and willing help in so many different ways.

The society have acknowledged with grateful thanks the sum of \$17.68 from the Boy Scouts as part of their proceeds from the Victory Loan concert. This is a very grateful gesture.

The society have acknowledged with grateful thanks, the fine work of the Catholic Women's League, under the leadership of Mrs. Tunney: 17 prs. bloomers, 2 1/2 doz. diapers, 11 1/2 doz. handkerchiefs, 14 nightgowns (14-year-olds), two skirts, 13 surgical towels.

An executive meeting was held in the rooms on Monday evening.

HOME DEFENSE MIGHT EMBRACE MEN UP TO 40

As Canadian military authorities turn their attention to the need for more adequate defensive measures on the Pacific coast, it is reported that the Cabinet is considering amendment of the Mobilization Act providing for the drafting of men of older age groups.

At present only those between 21 and 24 years are liable to conscription for home defense, but it is now believed that the net will be spread much wider to embrace men up to 40 years of age.

ASK FOR HOMES FOR AGED FOLK

At the request of the Mother Superior of the Order of St. John the Divine, Rev. G. H. Johnson read an appeal at last Sunday night's service in St. Paul's Church for volunteers to offer homes for inmates of the different Homes for aged people in Toronto in the event of the necessity of their having to be evacuated.

Anyone willing to comply with the request was asked to get in touch with the Sisters of St. John's or with the rector of St. Paul's, and a member of the Order would come to make suitable arrangements.

FIRE DESTROYS FARM BUILDINGS

Fire of undetermined origin completely destroyed a large barn and caused extensive damage to a nearby greenhouse on the farm of Ernest Bonnick, near Oakridges Friday night.

Volunteer firemen from Aurora fought for several hours by throwing ice and snow on the blazing building, since water was unobtainable, but in spite of their efforts the flames became uncontrollable.

Although the barn had not been used to house livestock, it had been used as a storehouse for feed, tools and farm equipment. The owner stated that it could not be replaced for less than \$1,500.

Spread of the fire to the greenhouse was discovered by Perry Stewart, a hired employee, who, by forming a bucket brigade, was instrumental in quelling the blaze before it reached serious proportions. Both buildings were partially covered by insurance, it was stated.

Due to the excitement of the fire, Bonnick suffered a serious heart attack, which necessitated medical attention by Dr. J. L. Urquhart, of Aurora.

FARMING EQUIPMENT
SO IMPORTANT

MASSEY-HARRIS

No other country in the world is better equipped than Canada to produce, with minimum manpower, the prodigious quantities of foodstuffs required by an Empire at war.

Equipment bought to do more work in less time and at less cost during the years of drought and depression has taken on greater importance now that our war-time program in men and munitions has created a shortage of labor and materials.

The importance of farm equipment has been recognized by the highest material priority rating for civilian goods, yet even with this preference — so great is the manufacturing program for war purposes — it may not be possible to meet the demand for farm equipment this year.

It will be necessary, therefore, to take extra good care of your present equipment. Check it over to see that it is in good working order. Replace damaged or worn-out parts now. Use your machines carefully, paying particular attention to frequent and thorough lubrication of working parts. If it is essential that you have a new machine, it is to your interest to place your order as early as possible.

Through its extensive network of branches and local dealers, the Massey-Harris organization is prepared and equipped to give that prompt, reliable service depended upon by generation after generation of Canadian farmers since the pioneer days. Never before was modern farming equipment so important — your local Massey-Harris dealer is ready to help you keep your equipment in good working order.

Dr. A. E. Runnells of Trinity United Church performed the ceremony owing to the illness of Rev. Arthur Greer.

The bride wore a lovely dusky street-length dress with rose accessories and shoulder-length veil. She was attended by Miss Beryl Wilson of Newmarket who wore a becoming blue frock with grey accessories. Mr. Roy Edwards, brother of the bride, was best man.

SOLD WEED SEED AT \$12 PER BUSHEL

(Continued from Page 1, Col. 1).

Accused had sold it to six or seven farmers around Alliston and Mono Mills.

The accused, who was represented by Mr. Horkins of Toronto, stated that he had never been in court before. He was 49 years old, a widower with three children and had lived in Toronto for 35 years. He had been in the horse business for 35 years and associated with Coulter Bros. for 25 years. He bought 12 bushels of seed from Armstrong for \$84. "I was ignorant and didn't know what I was doing. Armstrong's the man who lied to me."

When cross-examined, the accused denied giving in his statement about splitting the profits with Armstrong. He said he had tried to settle with McLean later.

"You weren't so interested in settling with the others," said Crown Attorney Mathews. "Yes, I went to three or four places, but I can't remember their names. I told them the seed was no good, and offered to give them their money back. Two of them said they wouldn't take it back, and claimed it was worth \$20 a bushel."

"If these people were here themselves I would feel differently about it, but I can't take this man's word for it," said His Worship. "Williamson, it was pretty smart for you to sell the seed for \$12 when you knew that Armstrong paid \$5 for it."

"I had to pay for the gasoline and carting it all over the country," said accused.

"Oh, no, you were dealing in horses," replied His Worship. "You might have had an excellent character up to now, but you certainly haven't been very fair on this transaction. I will adjourn this case one week for sentence."

Frederick Barwell of Toronto, charged by Constable Ferguson with having no operator's license, was fined \$10 and costs. H. S. Honsberger of York Mills, charged with illegal parking, was fined \$5 and costs.

Margaret H. Grant of Hamilton, charged by Constable Ferguson with failing to produce registration certificate, was fined \$1 and costs.

Stephen F. Platt of Toronto, and Robert E. Cole of Highland Creek, were remanded for sentence on charges of having no operator's license.

Albert Presque of Woodbridge, charged by Constable Farquhar with having no operator's license, was fined \$10 and costs.

waterworks, and seventy shade trees had been planted on the streets.

"You gave us \$100; we spent \$180," he stated. "We also endeavored to encourage the school children by putting sections for them in our shows, but I'm sorry to say that the parents or the teachers do not seem to want to co-operate. I believe they are making a grave mistake."

"I would like to see the property committee and this society make a job of camouflaging the town dump," spoke up Ald. Evans. "It could be done at small cost. I have been talking to Mr. Wellar who built our new water tank. He is an expert on trees, and he suggested some fast-growing trees that could be planted that would soon cover up the unsightly mess that people going through on the train see."

"For years I have suggested that we should have a parks commission composed of representatives of the Veterans, Lions, Horticultural Society, and built around the property committee. Then you would get some place," replied Mr. Williams.

"I believe you are right," said the Mayor. "This year we will at least appoint one of our members to act with you."

Ald. Bowser estimated that he would need \$5,000 for road and bridge work for the year. Ald. Arthur Evans asked for the same amount as last year for the water and light.

Flowers and a letter were ordered to be sent to Ald. Will Dixon, who is a patient at York County Hospital.

ST. PAUL'S CHURCH

Last Sunday the Men's Club of St. Paul's Church attended the evening service. The Men's Club meet every week and all men of the church are invited to attend the regular meetings, men from 16 years and up. The meetings are very interesting and enjoyable.

The Rev. R. K. Perdue, B.A., of Trinity Church, Aurora, is exchanging pulpits with Mr. Johnson next Sunday morning. Due to icy pavements the Lenten service a week ago Wednesday was not so well attended. Usually chairs have had to be provided to supplement seating in the Chapel for the Lenten services.

The W.A. last Thursday afternoon also had not its usual attendance due to the same cause. Next Thursday is the monthly devotional and business meeting.

Make Your Dollars FIGHT

WHEN you buy Victory Bonds you are lending money to Canada to provide weapons for the men who are doing the actual fighting.

LET us make possible, by lending our money, weapons that are equal or superior to those of the enemy. . . "Given equal weapons" said Mr. Churchill, "we can beat the life out of the enemy!"

OUR fighting men can do it! And we at home can help. . . But only if each of us does our share by lending our dollars to Canada to the very limit of our ability. That means that we must buy as many Victory Bonds as each of us can—not next month, next year, but NOW!

Military Camp Bow To Markham 10-5

SOLDIERS FAIL TO WIN GAME IN SERIES

Overcoming a two-goal deficit in the second period, the Markham team led to four goals in the second period to lead five to four entering the last frame. Newmarket Military Camp weakened badly, allowing the Markhamites to notch six goals in the final chapter, dislodging all hopes for the camp boys to gain at least one victory in the series.

Only at one time during the game did the soldier boys look good, and that was during the second period when Callahan, first-string right winger, fired home a clean-cut tally, followed by another by Gibbs Burby, defenseman. They really caught the green-clad Markham boys off their feet and only clever work by the Markham goalie, Harper, kept the score of the Camp boys from the score sheet.

The only penalties were handed out in the second period when King of Newmarket, and Parkinson tangled next to the boards. Both boys were chased, and only good sportsmanship on behalf of the Camp boys prevented further hostilities, as Markham were eager for blood.

Webster and Baker were the only other penalties for hooking at the close of the second.

The line of Webster, Callahan and Evans overshadowed by far any line the Markham team possessed, but their mates were away below form, and it must be realized that a line, no matter how good, will crumble with overwork.

However, we admire Lieut. Mitchell and his club's gameness, as the boys never gave up until the final bell.

Markham are a really great team who capitalize at every opportunity, and will take some beating before giving up the fight for the in-

GASOLINE UNIT MAY BE CUT

The Canadian Oil Controller some time ago announced the quantities which he thought would be available to consumers for pleasure driving for the three-month period commencing April 1, 1942.

The Oil Controller indicated that the announced quantities, which were very, very reasonable, might have to be reduced in the light of events transpiring between the date of his announcement and April 1. Since the announcement the gasoline situation has become much more critical, and it is possible that the announced quantities may have to be reduced. There will be a definite announcement by the Oil Controller about this on or about the first of April.

Referee Jack Bennett of Toronto

Referee Jack Bennett of Toronto handled the game to perfection, after a soldier spectator was warned about blowing a tin whistle which interrupted the play continuously until that point.

Webster and Gibbs tallied singles for the Camp, as Callahan notched three for the Markham boys. Parkinson, F. Lawrie, B. Lawrie and Brown shared top honors with two each, while B. Lawrie and Rowe collected the others.

Camp goal, Halton; defence, Gibbs and Buberskey; centre, Webster; wings, Evans and Callahan; alternates, King, Cooper, Wilson, Nash, Greenland, Vitale and Hudson.

Markham: Goal, Harper; defence, Armstrong, Scott; centre, Lawrie; wings, Brown and Parkinson; alternates, Baker, Lowrie, Rowe, Scott.

SOLDIERS WRITE FROM OLD LAND

(Continued from Page 1, Col. 1)

At times the fellows make a few wisecracks concerning Newmarket, a small town, etc., but when the mail begins to arrive, it is then that the tables have turned and they usually marvel at the generosity and interest taken in us. This is deeply appreciated, and somehow it is difficult to find adequate words to convey our thanks.

Everything is pretty much the same over here, excepting of course the training, which is becoming more advanced every day. This can quite well be expected, as we have been training for slightly over 28 months now, and as yet have seen no action in the field.

Thanking you again, and wishing you the best of luck in this new year, I remain,

Yours sincerely,
Arthur Brymer.

England, Jan. 10, 1942.

Dear Sirs:

Thank you very much for your parcel. It was swell. You certainly know what we like best over here, and send us the best of everything. The peanut butter and chocolate were a special treat to me at least, and everything was of the best.

You have been very good to us here, and I am sure we all appreciate it. I have received several copies of the Era, and it is good to get the home news. I see the town voted dry again this year, and the council is the same.

Things over here are quiet, but we are kept busy. They gave us a good Xmas. Away for New Year's on leave.

Well, I'll say thanks a million, and so long. Yours,

G. H. Blencowe.

Dearest Mother, Dad and all:

Received your lovely box today and it really pleased me very much. Everything was just as good as it was sent. It really was a pleasure to taste Canadian food again. I want to thank everybody for the lovely things that were sent to me. The cigarettes were swell. I received the Airgraph letter from Mrs. Clark—that was very nice of her.

Well, Mother, it's not so bad over here just now. Morris and I are having a grand time together. We were in London for the weekend and when Morris and I get together you can be sure we had the best time going. I don't know what I would do if we were ever parted. He is with me every night and we have a grand time.

Morris has received a good many cigarettes and he has shared with me. I hope to get some soon.

Well, Mother, give my love to everybody, hope you are well and happy, as it leaves myself O.K. So don't worry.

Your loving son,
Pat.

Dear Sirs:

Thought I had better drop a line to thank you for the cigarettes which I received and to let you know how much I appreciate them.

It certainly is good to know that you have got friends back home to send you a few good smokes once in a while, because the cigarettes over here cannot be compared with the ones that are made back home.

If the rest of the boys are as thankful as I am, I do believe that you will receive a lot of mail of thanks.

Dear Mr. Gilroy and Lions Club:

I had a very welcome surprise today when I received 300 cigarettes from you. It means a great deal to us over here to think that people at home remember us. When I was back home I always admired the Lions for the fine work they were doing and I am glad to add my name to those benefited by your wonderful organization.

As soon as we give Jerry "the works" I hope to thank you all in person. Thanks a million.

Very sincerely yours,

I received your very nice parcel today, in excellent condition. I certainly appreciate your kindness.

Things are going very well over here. I have only met one chap, namely Ted Blencowe, from the old home town. From what I have seen and heard, these English people certainly have what it takes. Their morale is remarkably high.

People such as these, on this strongly fortified island, cannot fail to win, regardless of the many drawbacks they might encounter.

The wonderful work done by your organization has, and always will be, appreciated by all who

SCOUTS TRIM PICKERING

Last Saturday afternoon the Newmarket Boy Scouts took Pickering College Juniors into camp to the tune of 6-2. Both teams were evenly matched and the score doesn't do justice to the college.

The Scouts fought hard throughout the game, waited for passes and got them. If the ice had been harder the game would have measured up to any O.H.A. game.

The goal-keeper for Pickering played a very good game in goal and pulled off some brilliant saves.

For the Scouts it would be hard to really pick any stars for they all played good hockey.

Hello Ang:

Just a few lines to thank you ever so much for sending me your paper.

It is so nice to spend a quiet evening in the hut when you can sit down and read all about the folks at home. It seems to shorten the distance that we are apart. I am living in hopes that this war is all over soon so we can get back where we belong.

In closing I'll say thank you again for your papers which are very much appreciated. I remain as ever,

Respectfully,

Dear Sir:

Would you please pass on to your members my most grateful thanks for the grand parcel I received.

You certainly thought of just about everything possible to please a person in your selection of food-stuffs, etc., and believe me all the contents will be thoroughly enjoyed.

POLICE HELP SUB-DUE B.A. CITY GAS ATTACK

Playing a stellar game between the posts, that had to be extended to squeeze him in, Charlie Rowntree shut out the city office staff of B.A. Oil Tuesday evening in Aurora when the Newmarket and Aurora staff won by a 5-4 verdict. (The four goals Charlie let in to make the game appear a bit closer).

The "catch as catch can" affair arranged by John Henderson of town, district sales supervisor, and Gordon Stout, Aurora, dealer, added \$36 to the B.A. office Red Cross fund, while the Telegram British War Victims' Fund benefited by \$50.

Provincial Constables Alex. Ferguson and Howard Jackman were included on the N-A line-up, and Fergy, who at one time played pro with the Ottawa Senators, gave a stirring exhibition despite a charlie-horse that had to be rubbed out every few minutes.

In between periods, Rowntree played the nets for one of the girls' teams, but received two major penalties for holding, but Charlie says it was worth it.

We understand that if arrangements can be made, Henderson's club will play the winner of the Army-Air Force battle that takes place on Saturday.

At the conclusion of the game, Mayor Frank Underhill conducted a lucky ticket draw on admission stubs. Aurora Town Band was in attendance.

Line-up of the winning team included: Alex. Ferguson, Howard Jackman, John Henderson, Gordon Stout, Charlie Rowntree, "Bud" Jones, W. Beresford, Al Bartholomew, Lyle Sparks, Howard Stout, Miles McGinnis, Cliff Gunn, "Mickey" Stutton and Peter Dill man.

to Employers and Employees:

An employer who was not paying his employees a cost of living bonus prior to February 15, 1942, may not start to pay such a bonus on or after that date, nor may an employer who has been paying such a bonus now increase it unless he has specific permission from a War Labour Board.

Whether in the future a bonus may be paid or changed in amount will depend on the National War Labour Board's announcement in May 1942, with respect to any change in the cost of living index between October 1941, and April 1942, unless in a particular case a War Labour Board has given specific permission to do otherwise.

News and Views of People and Things by Isabel Inglis Colville

People
The third week in March has for the last three years been so consistently bad, from a weather standpoint, that the committee in charge of the Institute for that meeting, March meeting, have decided to hold the meeting on Saturday, March 21, at the Bogart-town schoolhouse.

There will be the regular business meeting, also quilting, program and lunch. We hope to have Mr. Cameron of Elmhurst Beach address us on her European travels, so do not forget the change of date and location.

Mr. and Mrs. Douglas McClure dined on Wednesday with Mr. and Mrs. David Coates of Sharon.

Dr. Henderson of Aurora addressed the February meeting of the Women's Institute, which took place at the home of Mrs. Leslie Harper on the afternoon of the 25th. Mr. Gilkes operated the moving picture machine which illustrated Dr. Henderson's address, and gave added force to the doctor's remarks, for they showed very realistically the results of care, and lack of care of the teeth.

The meeting opened with the Maple Leaf, the Opening Ode and a short prayer, then repetition of the creed in unison. The members were given an account of the work done for war victims for the months of January and February: socks 28, quilts six, layettes two, scarves 13, little boys' suits two, child's dress.

During the business part of the meeting the members sewed at quilt blocks. A large number of knitted blocks for afghans were turned in. The meeting closed with God Save the King, after which a tempting repast was served by the committee in charge (Health).

Mrs. Elmer Starr spent Friday night with Mrs. Henry Ostley. Mr. Ostley is still, we are sorry to report ill, in York County hospital.

A crokinole party and concert were given at Pine Orchard school house on Friday evening. A programme by the school children, and speeches by Warden Toole and Mr. Harry West on the Victory Loan, were featured.

On Saturday afternoon quite a large number of ladies met at Bogarttown schoolhouse. Some, indeed, took their dinner and started work early on Saturday

afternoon. Two quilts were completed. One was presented to Mrs. Needler to send to her sister, who is in a badly bombed section of Britain.

On Thursday evening of this week the Pine Orchard Community Club will meet at the home of Mr. and Mrs. James Hope. The program will be put on by Wesley Young People.

Aircraftman Gordon Arnott of Toronto visited his aunt, Mrs. George Sproston, and Mr. Sproston, over the weekend.

"TEETH"
The subject that I now unfold dates back to the great days of old, for there's no age of which we know when people hadn't teeth to show, and always they're a source of trouble, the single teeth, and also double. The baby weeps in sore distress, and slobbers on his little dress, when tiny teeth come peeping through, and make him hot and bothered too.

A little later they begin to wear our patience very thin. Our tongue, unruly though it be, finds out a hole we cannot see, and pains begin to rack us, so, off to the dentist we must go. Of course we should have gone before our teeth ever started to get sore, for it's been dinned into our ears, if we'd be free from dental fears, a pilgrimage made twice a year for dental care, would still all fear.

Then, too, a curious thing is found, just as your foot's on dental ground, the tooth that had prevented sleeping, prevented eating, made for weeping, became as quiet as a lamb; in fact, a most unnatural calm, and then you think, oh dear, I wonder why I'm really here. You think of home, a haven sure, but then you think, it couldn't cure the toothache that has held me fast, even in the hours just newly passed.

You look upon the drill with awe and feel you'd like to bite and claw, the hand that wields it, deft and sure, although you know the pain it will cure. But human nature's not consistent, and we will always feel resistant to anything that buzzes round, just like a bee that's honey found. But when you're drilled and picked and polished, most of your fears have been abolished, and then and there you make a vow that starting from this moment—now—that six

KESWICK

Miss Eva Gilroy has been confined to bed for the past week with a severe cold.

Mrs. Norman Crone of Sharon was a guest on Tuesday last of Miss Bessie Terry.

Mrs. T. Robinson of Aurora has been visiting her daughter, Mrs. Frank Marritt.

Miss Jean King, daughter of Mr. and Mrs. John King entertained a number of young friends at a happy birthday party on March 4, it being the occasion of her 6th birthday.

Mr. and Mrs. Wm. Davison entertained a party of friends from Queensville, Keswick and Newmarket on Thursday evening.

Quite a number attended the Red Cross display tea at Belhaven on Thursday afternoon last and were full of praise for the quantity and quality of the work accomplished in two months' time by the North Gwillimbury workers. The rug donated by Miss E. Crittenden of Roche's Point netted \$22 for the fund. Two lovely finished quilts were donated by the Christian Church Ladies' Aid, and another by Mrs. Cecil Taylor. The afternoon tea under the direction of Mrs. Wm. Davison, was also much enjoyed.

Mrs. Reditt, with Miss Ruth and Mr. Grant Reditt motored to Pickering for Friday evening last.

Mr. and Mrs. Freeman Pollock attended the funeral on Monday at Ravenshoe of Mrs. Pollock's aunt, Mrs. George Moulds.

Miss Prosser of Syracuse, N.Y., was over for a few days' visit recently with her grandparents, Mr. and Mrs. Wm. Prosser.

We were extremely sorry to hear of the death on Monday of Agnes May Shaw, beloved wife of Mr. Walter Hurst of Wynchur Beach. Mrs. Hurst has been in very poor health for the past year. She was a member of Keswick Christian Church and a splendid help in Ladies' Aid and church work. Her many friends deeply regret her passing and extend sympathy to her husband. The funeral was private from the home on Wednesday, March 4, at two o'clock, with a public funeral from the chapel of Roadhouse and Rose, Newmarket, at 3.30. Interment in Newmarket cemetery.

A "Jim Hunter" Telegram broadcast last week gave credit to Mr. George White (one of our four Victory Loan canvassers) with "having what it takes" when he braved a bad storm on the lake to visit some fishermen in their houses, and came back with a \$100 and a \$50 bond. Mr. Percy Mahoney is also doing splendid work on the Victory Loan.

Weather not as cold, but plenty of snow early in the week.

Keswick United Church
The next meeting of the W.M.S. will be held on Thursday afternoon, March 12, at 3 o'clock, in the S.S. room of the United Church and should be a very worth while meeting, as reports from the annual meeting of Toronto Centre W.M.S. Presbyterial will be presented.

North Gwillimbury Branch Can. Red Cross Society

Last week was a busy week for North Gwillimbury Red Cross workers. Commencing at Belhaven Hall, on Wednesday morning, the regular two days of sewing

months from that day you'll be right back to where you are, just see. We heard what lack of care can do, when Dr. Henderson spoke to the Institute on Wednesday last, in fact, it made us feel aghast, as on the screen the doctor showed how both appearance and health owed to proper timely dental care; to eating just the proper fare; to never using teeth to do, what any hammer'll do for you; to never let baby suck his thumb, the sad result will strike you dumb. To downward brush your upper teeth, and upward brush the ones beneath, and always, ere you go to bed, to scour well each tooth in your head.

And so, my friends, take care, beware and for your tooth health do your share of watchful searching, brushings glad, and you'll have teeth just like an ad!

and quilting made a good start with 43 being in attendance. This month Ravenshoe ladies were in charge of the quilts, Mrs. Leslie Stephens being convener of the same. Work continued as formerly until noon of Thursday when great activity took the place of the orderliness of the hall, and preparations commenced for the display tea to be held that afternoon, the gaily flag-decked hall making an appropriate background for the splendid number of garments, quilts, etc., which either hung or laid on tables around the room. Outside, waving from the flagpole, the large Red Cross flag told one and all that in the hall that day the Red Cross was in command. A committee composed of Mrs. W. R. Fisher, Township Work Convener, Mrs. Wm. Davidson, Assistant Township Entertainment Convener, and Mrs. Vail, President, had arranged it so that each Unit was represented equally in the various parts of the afternoon's programme, the Vice-President, Wool, Quilt and Work Convener, with Miss A. McMillan all receiving the guests and being responsible for the success of the event. The hostesses were Mrs. Davidson, Mrs. Lunn, assisted by Mrs. P. Walker, Mrs. G. Wright, Mrs. Cecil Grant, Mrs. Cecil Taylor, Mrs. Jas. Clark, Mrs. George White, Mrs. Wm. King and Mrs. Selby Fairbairn and others.

The tea table arranged with flags, and set with silver and pretty china, was ably presided over at different hours by Mrs. John VanNorman and Mrs. S. Purdy, Keswick, Mrs. Sturdy and Mrs. W. Anderson, Elmhurst, Mrs. Geo. Hamilton and Mrs. Leslie Stephens, Ravenshoe, and Mrs. Thos. Horner and Mrs. Robert Davidson, Belhaven, assisted by a bevy of young women from the several township units who served the guests at small tables, also patriotic with flags. Treasurers for the afternoon were Mrs. John Hopkins, Mrs. E. Yorke and Mrs. Smithers. Mrs. Pegg and Mrs. R. Davidson were in charge of wraps. The splendid display of wool was arranged by Mrs. T. H. Johnson, vice-pres. for Ravenshoe, who was assisted by Mrs. Whittaker, vice-pres. for Belhaven, and by Mrs. Lockerie, wool convener for Elmhurst. Mrs. Fisher, Mrs. P. Mahoney and Mrs. Emmerson Sheppard (sewing conveners for Belhaven) were in charge of the sewing display.

Mrs. Peel (sewing convener for Keswick) continued working at the machines, with her group, anxious to finish as much as possible.

Many complimentary remarks were passed by the guests about the boys' outfits made by Mrs. Deavitt and Mrs. Walter Rose of Ravenshoe, also about the girls' outfits made by Mrs. E. Sheppard and the ladies in Belhaven who had assisted. Miss Evelyn King had made several pairs of hospital slippers, and Keswick's layettes were very lovely.

An exceedingly pretty Dresden plate quilt, made and donated by Mrs. Cecil Taylor, was quilted on these days and finished early Thursday afternoon, being much admired. The work is beautifully done, and it is hoped that later on when tickets are to be sold on it, a nice sum will be realized. Two nice quilts made and donated by the ladies of the Christian Church of North Gwillimbury, were also displayed, as well as many others, the work of either the branch as a whole or tops given by individual members. Mrs. Sturdy, Sr., also presented the branch with a "shelter shawl." This was much discussed, it having been made from discarded sock tops, etc., and was a very pretty article, as well as very useful.

Mrs. Vail, president, welcomed the guests and thanked all who had assisted in making the attempt so successful, especially mentioning the transportation committee, Mrs. Wm. Purdy, convener, and the decorating which had been so nicely looked after by Mr. Ken Harden, Mr. Emory Willoughby and several young people from Belhaven.

Regret was expressed that Miss Gilroy, supt. of cutting for township, was unable to be present. Several other officers and faithful workers were as well, greatly missed.

A very fine rug, made and donated by Miss Eliza Crittenden, was then drawn for. Several had assisted in selling these tickets, which, at the hall were in charge of Mrs. Lloyd Pollock. Mr. Davidson, introduced Miss Crittenden to the audience, and Miss Crittenden drew the ticket which made Mr. Judd Cole the lucky winner. Receipts from the tea were over \$17, and from the rug \$22.10.

The ladies decided on Thursday afternoon that it would be as well to finish the day off well by having a euchre party at the school, Keswick, that same evening. Eight tables played cards and a very jolly, informal time was enjoyed by those present. The menu and most of the prizes were limited to mostly fancy breads. It made a happy ending to the busy day's work. Prizes were won, first by Mrs. Bernard Rye and Mr. John Harper; second lady's, Mrs. W. Davidson; second gent's, tied, Mr. Waldon and Mr. Orvan Huntley. Booby prizes, Margaret Walker and Mrs. Vail. The gratifying sum of \$10.50 was added to the total for the afternoon. These events were given in aid

of Red Cross Bomb Victims, for which practically all the sewing is now being done. There were present 110 at the display tea, the register having been in charge of Mrs. Leslie Stephens of Ravenshoe. Belhaven ladies will have charge of quilts for the March meeting, March 25 and 26.

Remember the "boys overseas" at Easter with a card. Mail is so welcome to them. Mr. Wm. Marritt, Keswick, has a complete list of names and addresses. Many letters have been received by Mrs. Grant (in charge of boxes) and Mr. Mahoney (in charge of papers and cigarettes). Anyone wishing to see these letters is welcome to do so.

Until you hear further, Save Everything. Mr. White will notify you at a later date re salvage.

All are welcome to attend the annual meeting of the Ontario Division of the Can. Red Cross, at the Royal York Hotel, Toronto, on March 12 and 13. The president, Mrs. Vail, will be only too pleased to give any information re the same, as the meetings are to be very interesting this year. Conducted tours to warehouses, etc. are being planned.

Please keep in mind the outstanding concert to be given by the Westminster Central United Church of Toronto, under the auspices of the local United church choir on the evening of Thursday, March 19.

A large number from here attended the North Gwillimbury Red Cross tea and display of work held in Belhaven Township Hall last Thursday.

At the Women's Missionary Society meeting of the United church to be held on Thursday afternoon, March 12, at 2.30 p.m., reports of the Presbytery Missionary Conference will be given, and the new study book on China will be introduced.

At the morning service of the United church on Sunday, March 8, Rev. Mr. Lapp will preach on the subject, "The Test of Forgiveness," and his evening subject will be "Canada Not Without Us."

Mrs. Robinson of Aurora is visiting her daughter, Mrs. Frank Marritt.

Mrs. William Fowler visited her sister, Mrs. Gordon Lapp, last weekend.

She: "Are you getting a commission in the army?"
He: "No. Straight salary."

On Wednesday, March 4, the Red Cross branch rooms will be open to township units for inspection of the supplies ready for shipment. Units have been notified that they may see just what a shipment comprises. Very few, except those in close touch, realize how interesting and excellent these supplies amount to when packed. The workers get a thrill when they see the supplies "en masse." Afternoon tea is being served and quilting in progress for any who care to help. Each Wednesday is the regular Red Cross work day at Schomberg.

Eversley Presbyterian W.M.S. will go on very thin refreshment rations at future meetings. The cup of tea that fills the empty spot will mainly serve to bolster busy women who hurried to the meeting and will hurry home again.

It would appear at present that some concerted effort will be necessary to conserve gasoline and lengthen out ration cards, if routine community activities are to be regularly carried out.

John Sutherland, I.S. president, stated the results were beyond expectations, and no wonder, for these youngsters really did work. They garnered in ten valuable draws from "which and everywhere." They sold \$100 of tickets or draws before the party began.

In the school auditorium were 65 tables of euchre. Those not playing wandered through the rooms and examined class work.

Principal F. Cantelon and Miss C. F. Hamilton of the staff, Peggy Gourley, Joe Stonehouse and John Sutherland received the guests and looked after their interests. The euchre prizes were presented.

Miss Joyce Terry gave an address on "The Victory Loan," in which she graphically compared the youth of Canada to the youth of those countries menaced by Hitler. Frances Wilson gave a Victory Loan reading. And so Canada's youth acquires itself honorably and wisely, alive to its responsibilities as patriotic citizens of our township.

Canadian Red Cross Society King Township Branch News

By remarks heard from time to time it would appear that many people in our community do not understand the method by which socks, gloves and other comforts are distributed to our armed forces by the society. The following is part of an article published in a recent edition of the Red Cross bulletin:

"The Society, through its long experience in war relief work, has found a fair system of distribution, a system that places the comforts where they are needed, and in sufficient quantities to fill the wants of the men. "When a unit of the forces reaches Britain, for example, the overseas office of the Canadian Red Cross is advised, and the commissioner immediately contacts the medical officer and the quartermaster of the regiment, and gives them a requisition book from the society. They are told that when they require comforts for the men, or medical supplies for the hospital, they have only to fill in the requisition form, send it to the Red Cross, and their re-

NEARLY 200,000 AIRGRAPH MESSAGES DESPATCHED TO DATE

Service Extended To Middle East

Almost 200,000 Airgraph messages from all parts of Canada have been flown across the Atlantic to our Armed Forces in the United Kingdom since the inauguration of the Airgraph system a few months ago—according to information released by the Hon. William P. Mulock, K.C., M.P., Postmaster General.

Airgraph messages come from all parts of the country indicating that the service is being widely used. Every effort is being made to improve the service, and according to reports it is operating smoothly at the present time, but will continue to improve as more favorable Atlantic weather conditions prevail during coming months. With the increased number of troops overseas, and better weather conditions, this modern facility will be taken advantage of by friends and relatives in Canada to send fast messages to the boys overseas.

Delivery of an Airgraph message to the addressee in the United Kingdom is now made on an average from eight to 10 days from the date of mailing. Unfortunately, due to unfavorable weather conditions and an accident to a plane, the Airgraph service did not get off to a favorable start—delays were experienced in the delivery of many messages posted at that time. Notwithstanding the delays, it should be recalled, duplicates of the messages were printed and delivered overseas.

Every possible precaution is taken to ensure delivery of an Airgraph message to its proper destination; this is being evidenced by the fact that duplicate copies of each message are flown across the Atlantic by alternate routes.

Canada has now been linked by Airgraph service with our forces in the Middle East, and it is now possible to send Airgraph messages from this country to Canadian, British or Allied troops in that theatre of war. Such messages are sent in original form to London, England, whence they are transferred by British Airgraph to their destination.

A sailor was washed up when his ship was wrecked on the shore of a lonely tropical island. Thinking himself the only survivor, and full of concern that the place might be the abode of savage cannibals, he went exploring inland. Presently he saw smoke ascending from a clump of shrubs. Trembling with fear and ready to bolt, he crept cautiously toward the smoke, when he heard a voice say: "What the hell did you play that—card for?"

"Thank God — Christians!" he shouted, joyfully.

Young and inexperienced father (looking at triplets the nurse had just brought out): "We'll take the one in the middle."

"BLACKOUT" ENDS FREE-FOR-ALL AT INTERMISSION

Fans who packed the Sutton arena Thursday evening last to see the Greenshirts subdue Gravenhurst 13-6 got full value for their 35c, as besides the regular feature a free-for-all broke out during the second intermission in which fans and players mixed merrily until a "blackout" was staged by the rink management, and all had time to cool off in the dark.

In the third period again things began to look like a Donnybrook when three Gravenhurst and two Sutton players graced the penalty bench at one time.

Joint McComb, Newmarket boy who became a proud pappy of a young son early in the week, was presented with a basket of baby clothes on behalf of his teammates.

Harvey Gibney paced the Sutton club to victory with three successive counters in the second period, having Foster in the Gravenhurst net at his mercy. Gib was going great guns both ways, skating faster than Syl Apps, and back-checking like all possessed. Unfortunately he suffered a broken little finger in the second period, but this did not slow him up a bit. McComb also turned in the hat trick with three counters, while Jack Culverwell, with two goals and an assist, and Shepstone with two goals, played prominent parts in their club's win.

Bunny Harris was another tower of strength, playing the best game we have ever seen him turn in on Sutton ice. The defense of Pringle, Burkholder and "Wild Bill" Roberts gave stonewall protection to "Ginger" Hall who played his usual steady game. For the benefit of the fans, Roberts staged a side show at the expense of one of the visiting players. Bill will never grow up, and do the fans (home town fans of course) ever like him.

Line-up: 1, Sutton, Shepstone (Roberts); 2, Sutton, Harris; 3, Sutton, McCrab; 4, Gravenhurst, McDonald; 5, Gravenhurst, Sykes; 6, Sutton, Harris; 7, Sutton, McComb (Culverwell).

Penalties—Pringle, Burkholder, Ogilvie, 2, Wichman.

Second Period.

8, Sutton, Gibney; 9, Sutton, Gibney; 10, Sutton, Gibney; 11, Gravenhurst, O'Neil; 12, Gravenhurst, Barnes.

Penalties—None.

Third Period.

13, Sutton, McComb (Culverwell); 14, Sutton, Diplock (Brandon); 15, Gravenhurst, Ogilvie (Sykes); 16, Culverwell; 17, Gravenhurst, Sykes (Hunter); 18, Roberts; 19, Shepstone.

Penalties — Brandon (major), McDonald (major).

Sutton—Goal, Hall; defence, Pringle and Roberts; centre, McComb; wings, Shepstone and Culverwell; alternates, Gibney, Diplock, Gilbey, Brandon, Burkholder, Harris, Peters (spare goaler).

Gravenhurst—Goal, Foster; defence, Scott and Hunter; centre, McNeil; wings, Wichman and Sykes; alternates, McDonald, Ogilvie, James, Barnes, Wagg, Dobson, Sherwood (spare goaler).

Referee—Jack Bennett.
